U. S. IMMIGRATION SERVICE.—MEDICAL DIVISION.
FORM 1041.—ED. 8 35 1905 1,000

Board of Special Inquiry, ... 1907.

To the U. S. Commissioner of Immigration.

Sir:

I hereby certify that ..... age ..... height ..... weight ..... hair ..... eyes ..... complexion ..... nationality ..... last residence ..... destination ..... occupation ..... ability to read ..... married or single ..... personal description ..... identification ..... marks of identification ..... has been examined this day and found to be suffering from ..... which is a loathsome [illegible] contagious disease, not due to immoral conduct, and likely to become a public charge.

Respectfully,

..... Surgeon U. S. M. H. S. In charge of Medical Inspection.

I respectfully beg to report that I found the above alien to be a respectable lady who came to this country with the sole object of joining to New York City at once, and will be taken at Baltimore at a very early hour to-day. She will be met by her husband on the same vessel on which she came. The Captain of the Bohemian Island is a personal friend of his family and he has been requested by him to look after her. I also found that she was furnished with ample means, and does not appear to be likely to become a public charge and was admitted by the Inspector in view of these facts which do not constitute her as such.

Respectfully,

..... Surgeon U. S. M. H. S. In charge of Medical Inspection.
